Dear Paul,

This email is in response to your letter I received today which was dated April 6, 2011 in regard to a withdrawal notice on a small mine permit with blue rock pit. After our conversation today I think I understand the content of your letter and have no intent to appeal this notice. As mentioned my only concern was to make sure there is no "gottcha" type loop holes that Granite could try to use against me should I sign off on this notice. Your letter states that we never paid the other 2 payments. Those amounts were to be paid by Granite not Blue rock per our agreement. With those acknowledgements you can process this notice and my surety holding after 4/15/2011 as that is the official day my agreement with Granite expires. Please make sure payment has my name on it as well as I have moved out of Utah and closed the Blue Rock acct. in Utah.

If you have any questions please let me know. Also can you please acknowledge that you received this email?

Sincerely,

Tyler Pettit
